

KEEP

HARVARD

HEALTHY

ACTIVATE YOUR COLOR ACCOUNT

STEP 1

Visit **color.com/activate**

Create your account using your Harvard email address.

STEP 2

Log in to your Harvard email and confirm your new Color account.

STEP 3

Sign in to color.com with your new credentials.

Select, **Activate Kit**.

STEP 4

Complete the **pre-test survey**. You will be asked to indicate any symptoms and some medical conditions.

STEP 5

Review the information about positive and negative test results.

STEP 6

Complete the **acknowledgments** on the following page.

STEP 7

Complete the form to add requested **personal information**.

STEP 8

Review your submission and **confirm** all personal information is correct.

STEP 9

Type in your **bar code** and **accession number** as directed on the screen. Thank you for keeping Harvard Healthy!
